

Webinar:
SAFETY CULTURE IN THE EMERGENCY DEPARTMENT

Date: 26-05-23 at 14:00 CEST

Objectives

Our survey focused on the perception of safety of professionals and patients in the hospital emergency department. Based on the results, we would like to highlight the main causes for a lack of feeling of safety and how we could reduce these. We will look at solutions from different perspectives.

Agenda

<i>Time</i>	<i>Topic</i>	<i>Duration</i>	<i>Speaker</i>
